A stupid X-Files Story.

Ed: This story is undeniably stupid. It is probably the most stupid story I have ever written. And Mulder and Scully are not mine. They belong to Chris Carter.

" Hi " said Mulder.

" Hi Mulder " said Scully.

" Let's go kill some aliens " said Mulder.

" Okay " replied Scully.

BOOM BOOM!

Then all the aliens were dead and everyone was happy.

THE END!

Ed: See? I told you. If you didn't like it.. well, I can't be held responsible for my actions, can I?
